## PROJECTS

### FNHA WEBSITE | GRAPHIC DESIGNER

May 2024 – Aug 2024

A Digital Platform to Promote Culturally Safe Primary Health Care Services for First Nation Health Authority (FNHA).

[Trailer](#) | [Github](#) | [Live Demo](#)

- Created banner and side panel graphics for replication facilities at the First Nation Primary Care Centres (FNPPCs).
- Implemented the side panel features for enhanced functionality.
- Collaborated with UX/UI designer to improve website layouts and create other visual elements.
- Crafted and iterated the graphic prototypes on the desktop in accordance with the design system.

### DIGITAL SANDTRAY | 3D ARTIST

Jan 2024 – Apr 2024

Digital Therapy Solution for BC Children's Hospital (BCCH) Digital Lab.

[Trailer](#) | [Github](#) | [Live Demo](#)

- Delivered eight themed sandtray environments and collaborated with the team in modifying and importing hundreds of 3D assets into Unity.
- Delivering avatar customization as a bonus feature, to provide a personalized experience to users.
- Collaborated closely with a cross-functional team in the SCRUM process.

### STEVENSON LIFE GIFT SHOP WEBSITE | WEB DESIGNER

May 2024 – Jun 2024

A Digital Platform to Promote the Stevenson Cannery Historical Site, Featuring Contents From the Simulation Game Stevenson Life.

[Trailer](#) | [Github](#) | [Live Demo](#)

- Designed and developed the one-page website based on the game's contents.
- Conducted the game map as an isometric map and designed the infographic for the game and website.

## WORK EXPERIENCE

### WUHAN INSTITUTE OF LANDSCAPE ARCHITECTURAL DESIGN CO., LTD

Wuhan, CN

Landscape Designer

Feb 2022 – May 2022
